

20th April 2018

Dear Parents and Carers,

Another great week at Outwood Primary Academy Park Hill, this week! A group of our Year 5 children have represented the academy as part of the Young Baker competition and if successful with their entry, they could be selected to take part in the national final at the NEC in Birmingham in the summer.

Thank you for your support with our new lining up procedures. This enables us to comply with expectations across the Trust and it makes for a calm and orderly start to the day. It will also ensure that lessons begin promptly and provides parents with an opportunity to speak to teachers before school. Parents should leave children once the whistle has gone at 8.40 am, as they will be taken inside at that time by the teacher. In the event of heavy rain, teachers will take the children straight inside when the doors open at 8.40 am. If you have any concerns or queries about lining up or other procedures, please speak to Mrs Million or Mrs Corbett in the first instance.

In September, all children will be provided with a bundle of the new uniform etc., however some parents have enquired about buying new items now. We have been provided with a code for you to buy the uniform online although there is no requirement to do so until September. The Trutex online code for Outwood Primary Academy Park Hill is LEA00937SC.

Well done to all the Nursery children, parents and staff who make the Muddy Puddle Walk such a success yesterday. £150 was raised for Save the Children. Thank you for your support with this!
