

3rd May 2018

Dear Parents and Carers,

During this time of changeable weather, with quite chilly mornings, please make sure that if there is any sign of rain, you send your child with a coat or jacket. Likewise, when it is going to be sunny and warm we would be grateful if you would send a hat and apply sun cream before you set off.

Year 1 have been busy this week at the Community Garden. They were busy identifying the different types of plants as part of their Science topic and had a great time learning outdoors.

Please can we remind you that the gates will not open before 8.30am and you should not arrive before this time. You should wait with your child in the playground until the whistle is blown at 8.40am as children should not be left unsupervised. Colleagues from the Trust have also noticed that a small number of parents are using the area inside the front doors as a waiting room – please do not do this as it obstructs the flow of people who need to come in and out, including people who are making enquiries, paying dinner money or trying to speak confidentially to the office staff. In the event of bad weather, parents should set off at a suitable time so that you arrive in time for the doors opening and children going straight inside at 8.40am. Thank you for your support with this.

Yours sincerely
Mrs A Million
