

11th May 2018

Dear Parents and Carers,

Our new Super Swirl reward system is now in full swing at Outwood Primary Academy Park Hill and the children are endeavouring to earn as many swirls as they can before the end of the Summer Term.

The attendance reward for the class with the highest attendance overall since the beginning of the school year in September is a very close race! There are three classes who are within 0.5% of each other so please support your child to ensure they are at school every day. The prize will be a free class visit to a surprise location.

We are aware that children are playing around the cars in the lower car park near Nursery. Please make sure you keep your children away from the cars as this is not only a health and safety hazard but our CCTV will help us identify the culprits and any damage will have to be paid for.

The Year 6 National Curriculum tests (SATs) will take place next week so everyone needs to go to bed early and be in school every day on time. Well done to the Year 2 children who have already completed some of their National Curriculum assessments; the tests at the end of both key stages provide an opportunity for the children to demonstrate what they have learned during their time at school and we want them to show themselves at their best!

Thank you to the parents who attended the Phonics Screening and Parent Information meeting this week. If you were unable to attend, please ask your child's class teacher for a pack of information that will help you support your child.

School will close for the half-term break on Friday 25th May at 3.00pm and open again on Monday 4th June.

Yours sincerely
Mrs A Million
