

Dear Parents and Carers

We would like to invite you to take part in creating a decorated Easter egg. We will be holding our competition next Friday 5 April so please do not send eggs in before then. There will be one prize for the best-judged egg in each class; we look at how much input the children have had, and there will be a separate prize for any parents who wish to join in the fun!

A member of staff will choose winners for the most creative egg.

We look forward to seeing all the decorated eggs. If you are unsure, please speak to your child's class teacher.

Yours sincerely

*A. Million*
