

OFSTED REPORT

07.10.22

Dear Families,

As you will be aware, the academy was inspected by OFSTED earlier this term. I am pleased to be able to share the report with you in advance of it going live on OFSTED's website next week.

We are delighted to be able to inform you that Outwood Primary Academy Park Hill is officially a 'good' school. This is a fantastic achievement for the whole school community and one which we should all be incredibly proud of.

You may be aware that at the last inspection, before OGAT's sponsorship, the school was judged to require improvement. This has therefore been quite a journey and we would like to thank everyone who has contributed to the success that we can celebrate today.

Our work together as children, families, school and community to create an inclusive learning environment where diversity is celebrated has come through as a strength of the academy and this achievement is testimony to this partnership.

I hope that you enjoy reading the report.

Yours Faithfully

Donna Burnett
