Dear Parents and Carers,

Mrs Watts and Mrs Finegold are going to be organising a Winter production for Key stage 1 and Key stage 2, that will be performed in December (date and details to be confirmed). We are writing to let all parents know that we will be holding auditions for the singing and acting parts. We want to give pupils the chance to prepare something for these auditions that will be held all next week at lunch times.

Below there is a small section of text from the script we will be working on, if your child wants to audition for an acting part they should prepare these lines:

*Narrator: It was late December, Christmas eve in fact, and the nights were bitter cold. Deep in the forest there lived many creatures, but none so lonely as the hare. All day he spent his time trying to help the creatures of the forest. He would offer his help everywhere he went.*

If a pupil would like a solo singing part, they can prepare a small section of a song they know. If a pupil has another talent they would like us to know about that they could contribute (eg. dance or costume design) please ask them to inform Mrs Finegold or Mrs Watts.

We look forward to giving you more information and updates on this production in the upcoming months.

Yours sincerely

Mrs Finegold & Mrs Watts
