Inclusion Quality Mark

We are delighted to announce that we have been provisionally awarded the Inclusion Quality Mark for the work we do to make learning inclusive for ALL. We are extremely proud of this and want to thank the whole OPAPH community for their support. We are now on a journey to become a centre of excellence!

OPA Diploma

Later this half term, we will be taking part in our half-termly Diploma activities. We will be working with Barnsley College on exposing your child to a variety of different future career paths where they will receive expert training. Look out for Outwood Vocational Qualification (OVQ) certificates in the coming weeks.

We will also be hosting our OPAPH Trade Event where you will be able to join us in the academy hall to purchase some of the goods that have been made by our class 'companies'.
