

Working Together To develop The Community

Outwood Primary Academy Park Hill would like to invite you into school to welcome your ideas and suggestions with regards to offering further opportunities in the local area for the children and families of Eastmoor.

This event will be held on **Friday 1st April from 8.50am until 10am** at Outwood Primary Academy Park Hill (in the main school hall - please enter through the side door next to the main entrance).

We would like to discover:

- What is already available in the community which you may or may not be accessing?
- What else would you like to see in the community?
- What do you believe is missing from the community?

We are reaching out to ask how you feel we could help you to further develop our relationships with the local community for the families of Park Hill.

We really value your opinions and look forward to having an informal chat with you whilst having a drink and slice of cake to further strengthen our parent school relationships.

We look forward to seeing you on the 1st April at 8.50am onwards.

Thank your continued support,

The Park Hill Team
