

Being a Good British and International Citizen

Give these ideas a go over the half term break!

Use YouTube to learn a variety of different greetings in languages from across the globe. How many can you learn in the half term break?

Get out in to the community and deliver a Random Act of Kindness. It could be something for your family, friend or neighbour.

FAMILY FUN:

Cooking Around the World

Calling all future chefs! Try cooking some international cuisine with your family and friends. Can you cook something from a different continent?

Try supporting local wildlife by making your garden hedgehog friendly.
