

12th September 2022

Dear Parents & Carers,

We have been informed today that OFSTED will carry out an inspection of our academy on Tuesday and Wednesday.

We will be welcoming two inspectors to Outwood Primary Academy Park Hill They will look at the strengths of the academy as well as areas where we can continue to improve.

The inspectors would like to hear from parents and carers. This really is a great chance for us to celebrate the fantastic work that we have done together for our children. We would encourage you to share your views with the inspection team using the [Parent View website](#).

Once the inspection has been completed, the team will share with us their report and we will then share this with you too.

Many thanks for your continued support.

Yours faithfully,

Miss Burnett
Principal
